Lists of textbooks and supplies are available on the school's website: ([online shop](#) and [additional information](#)).

New purchases after July 31, 2024 (date of closure of the online store):

Purchases of new textbooks can be made at the **Uniforms and Services office** of Ecole du Nord **from September 16, 2024 whilst stocks last**. Preferential rates will not be applicable for these purchases. It is, therefore, advisable to order textbooks at the end of the school year for the start of 2024-2025 back-to-school.

7. PARENTS' ASSOCIATION

The parents' association (ADN) made up of parents of students elected to the School Councils promote co-education on behalf of families and work closely with the management of EDN.

ADN is consulted on many educational issues (security, transport, menus, uniforms, extracurricular activities, etc) and organises events for the benefit of families and students (Cine-Club, Kermesse, uniform and book exchanges, Egg hunt, etc).

You will be able to meet representatives in the catering area at the entrance of EDN during the pre-school days, **just after the information meeting!**

8. SCHOOL TRANSPORT

A carrier approved by our Charter may have lost its approval following serious and repeated breaches: speeding, overloaded buses, lack of attendant, etc

Check the list of authorized carriers and ask for the red carrier card.

List of drivers approved by Ecole du Nord

Back to school week

The usual carriers of your children will be able to ensure the arrival and departure of students from Tuesday given that it is preferable that a parent is present on the 1st day to accompany them.

If you are looking for an authorised carrier, they will be present at the entrance of the establishment on both days of the start of the school year in catering zone 2 (catering tables on the primary side).

The EDN Charter aims to strengthen student safety and good practices, and to remove carriers who do not respect these basic rules. The school supports carriers who are part of this approach and will propose the charter to families:

- Parking near the entrances authorised only to approved buses;
- Information to families on the list of signatory carriers (for information purposes on the website);
- At the beginning of the school year, authorised carriers are present at an information stand and offer services to families looking for school transport.

Elected parent representatives and management regularly check the carriers.

Read on the Ecole du Nord Charter website, the standard contract offered to carriers and parents, as well as a registration form specifying the days and times of transport required [by clicking on this link](#).

Deadline for receipt of scholarship applications for the 2nd campaign 2024-2025
