## **3 Maintenance Grants and the Purchase of Uniforms, Textbooks and School Supplies 2024-2025**

Bursaries are awarded to families in the month of July or August each year to ensure that all students have the resources to succeed academically and thrive in their learning environment.

**New**

At the time of purchase, the Uniforms and Services Office does not yet have a list of grants to determine the amount of allocated funds. You will therefore be charged for the amount purchased and will have to pay the full amount to our supplier, Hobby World, for the purchase of textbooks and supplies. The same system will be applied for the sale of uniforms at the start of the 2024-2025 school year.

We would like to reassure you that you will be reimbursed as soon as the amount of your scholarship is announced.

Terms and conditions for the reimbursement of maintenance grants:

1. If the total amount of the purchase (textbooks, supplies and uniforms) represents an amount **greater than** the amount of the scholarship awarded, the total amount of the scholarship will be reimbursed to you and the excess is at your expense.
2. If the total amount of the purchase (textbooks, supplies and uniforms) is **less than** the scholarship awarded, the full amount of the scholarship will be refunded.
3. It is recommended that you keep the supporting documents so that the refund can be made as soon as possible.

**This measure only applies to parents on a 100% grant.**
